

*Attorney Docket No. 65856-0034**PATENT*REMARKS

Applicant thanks the Examiner for the Advisory Action dated March 16, 2004. The original response was filed within two months of the final Office Action. This Response is being filed within one month of the Advisory Action. Therefore, this response is timely filed with the payment of a one-month extension of time. Claim 15 is allowed. The Examiner indicated claim 16 would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claims. That amendment is enclosed. Finally, claim 10 was objected by the Examiner and has been rewritten in independent format as new claim 17. Claims 1 - 14 were rejected and have been canceled. Therefore, the application is now in condition for allowance.

It is believed that any additional fees due with respect to this paper are identified in the accompanying transmittal. However, if any additional fees are required in connection with the filing of this paper, permission is given to charge account number 18-0013 in the name of Rader, Fishman & Grauer PLLC.

Respectfully submitted,
